No. 2272F Desk

The 60AS chair, as shown, is recommended. For further selection of chairs and associated pieces see Stow & Davis Chair Brochure.

Executive efficiency is reflected in the No. 2272F desk. A combination of smart design and spacious desk top provides the ideal working tool for the key executive. The two center drawers in the left pedestal combine to form a filing section. This file drawer is regularly equipped with a personalized filing system for individual needs. Standing 29" high, this desk is 72" long and 42" wide. The center drawer has been eliminated to give comfort of additional height in the knee space. A utility tray has been placed in the top drawer of the right pedestal. The drawer hardware is cast bronze of exclusive design to conform with the lines of the desk. All working components of this Executive Desk have been designed to give the maximum of efficiency; yet beauty has been maintained as paramount.

The 22AS chair, as shown, is recommended. For further selection of chairs and associated pieces see Stow & Davis Chair Brochure.

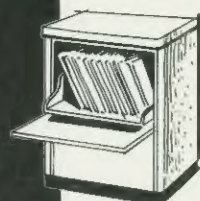

No. 2269CD Desk

The dignity and good taste of The Executive Group is further interpreted in the 2269CD which is designed for the executive who spends the greater part of his working day in conference. While it has the "pull up" convenience of a table for group discussion it maintains the dignity of an executive desk. It is regularly furnished with a left pedestal as illustrated, and desk may be furnished with a right hand drawer pedestal on specification. The two center drawers form a personalized filing space. A utility tray is included in the top drawer. Dimensions are: 69" long, 42" deep and 29" high. Attention to fine details is emphasized by the concave free end pedestal which allows for additional knee space at the end. Complete with exclusive hardware this desk is a mark of beauty and utility especially adaptable for smaller offices.

a Versatile cabinet

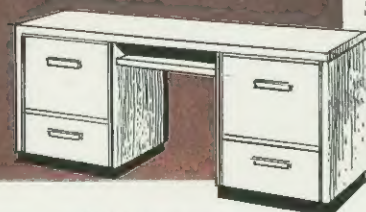

22FU File Unit

22DU With shelf for dictating machine

22BU With Bar Unit Shelf

22SU Service Unit

Matching the brilliance of The Executive Group desks is the versatile utility cabinet, No. 22FU illustrated above. The large top provides ample space for telephone and pad. The top drawer holds a personal file unit or may be equipped for a dictating machine or bar unit. The drawer at the bottom provides ample space for telephone directory or additional storage. A working, functional piece, the cabinet is 24" long, 18" deep and 29" high. These cabinets may be used singly or a pair make a scintillating team. A pair may be fitted with one top 72" x 18" and a center shelf to form a personal service unit for the busy executive that also adds to office decor. The service unit may be ordered with any combination of cabinet types you wish. This piece is functionally-designed for the utmost in executive utility.
